

# PRAY FOR CHARLOTTE

## WEEK FIVE

### Flatten The Curve:

- God in Heaven, with humility and faith we ask you to end the pandemic causing great hardship across the globe, in our nation, and here in Charlotte. We give you thanks for flattening the curve in Mecklenburg county, keeping the death toll low and for the many ways you've been at work responding to the prayers of your Church. As isolation restrictions are eased and people begin to move around more freely, slow the transmission of this virus, break its strength, and grant us all greater immunity against its harmful effects.

### Pray For Those Impacted:

- **Gov't and Frontline Workers:** Holy and loving Father, we pray for all those in authority tasked with making decisions that affect the entire city. Give them your counsel and impart to them your wisdom. Protect the physical and emotional health of all the city, civic, essential, and front-line workers who have been serving faithfully in this season. As they work to resource others may they encounter you as their
